POTENTEM UHP

Event's flagship passenger car pattern is the Potentem UHP. This pattern, designed for high performance and luxury cars, offers a premium performance under high speeds and shorter breaking distances. The Potentem UHP tyres are designed for increased ground contact and thus offer a great level of grip, even under wet circumstances, while keeping the noise emissions to a minimal. This leading pattern is available in a wide range and has many staggered fitment options.
